

HEAT CONTROLLER, INC.

## The American Recovery and Reinvestment Act of 2009

### Manufacturer's Certificate of Qualified Energy Property for Claiming Tax Credits for Residential Cooling Equipment

The U.S. Internal Revenue Service (IRS) is now providing consumers with a tax credit on high-efficiency heating and cooling equipment. Heat Controller, Inc., certifies that the models listed below (if placed in service after December 31, 2008 through December 31, 2010 in a homeowner's primary residence) meet the criteria of "Qualified Energy Property" as set forth by Section 25C of the Internal Revenue Code.

#### IMPORTANT NOTICE

Before filing for a tax credit on one of the following listed models, HCI recommends that consumers consult with a tax professional to review the American Recovery and Reinvestment Act (ARRA) of 2009 and its application in reference to Section 25C of the Internal Revenue Code.
